The Hiring Manager

DataSphere Analytics Pvt. Ltd.

Whitefield Main Road, Bengaluru, Karnataka – 560066

Subject: Application for the Position of Junior Data Analyst

Dear Hiring Manager,

I am writing to express my strong interest in the Junior Data Analyst position at DataSphere Analytics Pvt. Ltd., as advertised on your company website. With a Bachelor's degree in Statistics from Bengaluru University and hands-on project experience in data cleaning, data visualization, and reporting, I am confident in my ability to contribute meaningfully to your analytics team.

During my internship at Clarity Analytics Pvt. Ltd., I was responsible for cleaning and organizing large datasets, writing SQL queries to extract business insights, and building dashboards in Excel and Power BI to support management reporting. I am proficient in Excel, SQL, and Power BI, and I have a solid foundation in basic statistical analysis.

What excites me most about DataSphere Analytics is your data-driven approach to solving real business problems. I am eager to bring my analytical skills and attention to detail to your team and help translate raw data into actionable insights.

I have enclosed my resume for your review and would welcome the opportunity to discuss how my background aligns with your requirements. Thank you for considering my application. I look forward to hearing from you.

Yours sincerely,

Ananya Rao

Data Analysis Portfolio

Subject: Professional Portfolio – Data Analysis

Candidate Introduction

I am Ananya Rao, an aspiring Data Analyst with a Bachelor's degree in Statistics and practical experience gained through academic projects and a data analytics internship. I have a strong interest in turning raw, unstructured data into clear and actionable business insights.

Data Analysis Skills: Data cleaning and preprocessing, exploratory data analysis, basic statistical analysis, data visualization, dashboard design, and business reporting.

Tools and Technologies: Microsoft Excel (including pivot tables and formulas), SQL, Power BI, Python (pandas, NumPy, and matplotlib), and Google Sheets.

Sample Projects: Analysed retail sales data to identify seasonal purchasing trends; built an interactive Power BI dashboard to track monthly key performance indicators for a college research project; cleaned and consolidated survey data for a student well-being study using Excel and SQL.

Key Strengths: Strong attention to detail, logical and analytical thinking, clear reporting and communication skills, and a genuine curiosity for uncovering patterns in data.

Career Objective: To secure a Junior Data Analyst position where I can apply my analytical skills to support data-driven decision-making, while continuing to grow my expertise in analytics tools and techniques.

Yours sincerely,

Ananya Rao

Subject: Letter of Recommendation for Ms. Ananya Rao

Dear Sir/Madam,

It is with great pleasure and without any reservation that I recommend Ms. Ananya Rao for the position she is applying for. I had the privilege of supervising Ananya during her six-month Data Analytics internship at Clarity Analytics Pvt. Ltd.

Throughout her internship, Ananya demonstrated exceptional analytical thinking, particularly in data cleaning and report preparation. She consistently delivered accurate SQL queries and Excel reports ahead of schedule while maintaining a high standard of data quality. Her ability to identify inconsistencies in datasets and resolve them independently has been invaluable to our team.

Beyond her technical skills, Ananya is a dependable and enthusiastic team player who communicates effectively with both technical and non-technical colleagues. She takes initiative, asks thoughtful questions, and approaches every task with professionalism and a positive attitude.

I am confident that Ananya will be a tremendous asset to any organization fortunate enough to have her. Please do not hesitate to contact me if you require any further information.

Yours sincerely,

Mr. Rohan Desai

Subject: Request for Leave of Absence

Dear Mr. Desai,

I am writing to request a leave of absence from March 20, 2026 to March 24, 2026, a total of five working days, on account of a family medical commitment that requires my presence.

I have reviewed my current assignments and confirmed that no critical dashboard deliverables or client reports fall due during this period. I have already briefed my colleague, Mr. Vikram Nair, on the status of the ongoing sales data cleaning task, and I will ensure that all pending queries are documented before my leave begins.

I will remain reachable by email for any urgent matters and will resume my regular responsibilities immediately upon my return on March 25, 2026. I would be grateful if you could kindly approve this request.

Thank you for your understanding and consideration.

Yours sincerely,
